North Central High School has an open admission policy into college level programs. If a student earns a 3.0 GPA or better in a college prep (CP) class he or she may request placement into an X, AP, IB or dual credit course.

## ***Admission Policy***

A dual credit program for high school seniors enrolling in Indiana University courses that are offered at North Central High School.  
Courses currently offered for dual credit at North Central High School: Calculus, Chemistry, English Composition, English Literature, French, German, Government, Spanish and U.S. History.

## ***Advance College Project (ACP)***

**2009 - 2010**

An international diploma program offered during the junior and senior years of high school. Students sit for examinations in six areas. Upon receiving the diploma, students may earn one year or more of college credit. Since its inception in 1988, 291 students have earned an IB diploma--a 92% success rate.

## International Baccalaureate (IB)

## Twenty-Eight Courses Offered

An externally assessed college level curriculum offered through the College Board for high school students to earn college credit.
